

Agentic HR

Building the Future of Intelligent HR

OFFER OF EMPLOYMENT

Date: March 09, 2026

Dear Rahul Sharma,

We are pleased to inform you that you have been **selected for the position of Data Scientist** at **Agentic HR** after successfully completing our interview and evaluation process.

At Agentic HR, we are building intelligent, AI-driven systems to transform modern hiring and HR workflows. Based on your skills, experience, and performance during the selection process, we strongly believe you will be a valuable addition to our team.

Position Details

Role:	Data Scientist
Company:	Agentic HR
Employment Type:	Full-time
Start Date:	To be mutually decided
Work Mode:	Onsite
Response Deadline:	March 16, 2026

Your compensation package, benefits, and other terms of employment will be shared with you separately or discussed during the onboarding process.

Next Steps

Please confirm your **acceptance of this offer** by replying to this email within **7 days** (by March 16, 2026). Upon confirmation, our HR team will share the next steps, including onboarding details and documentation requirements.

We are excited about the possibility of you joining Agentic HR and contributing to our mission of building intelligent, agent-powered HR solutions.

If you have any questions or need further clarification, feel free to reach out to us.

Welcome to the future of HR.

Warm regards,

HR Team
Agentic HR
